THE REASONS XL GIRLS KEEPS GOING & GOING

Dear XL Girls,

It's great to see that *XL Girls* is still going strong and still presenting the most beautiful, busty, big women in the world. There used to be a slew of big-girl magazines, including the long-departed *BUF* magazine and others. I feel it's not luck that you guys are the last ones standing. It has to do with standards: Being big isn't enough to get into *XL Girls*. The girl has to be beautiful and have big tits, too. Those last two factors have kept you around for so long.

Please resist forever and ever the temptation to allow a girl into *XL Girls* just because she has big tits or just because she's a plumper with a pretty face. The second you lower your standards, that's when you'll go into the trash heap of departed BBW magazines. *Jiggs* failed because it didn't know what it was doing from one issue to the next. *Plumpers* magazine failed because you could tell that the editors and readers didn't really know what makes plumper lovers click. You do.

This was apparent in your Spring 2017 issue (SP314), where the lack of newcomers (just two) was made up for by the abundance of big girls with huge tits, like Anna Beck, Jennica Lynn and Lila Payne, plus an impressive assortment of

naturals.

Anna Beck had her mouth and pussy filled when two lucky guys had their way with her—and she with them—in the international editions of *XL Girls* #318.

hardcore pictorials. Then, in the Summer 2017 issue (SP318), I was incredibly impressed to learn that Alaura Grey, one of my favorites, was coming back to do her first tits 'n' tugs scene. I think this happened because not only were you relentless and knew what your readers want; you wanted to see Alaura do this, too, so you never gave up.

Thanks for continuing to put out a quality product and keeping it real.—J.K., Carbondale, Illinois

THE HIGHLIGHT OF XL GIRLS 318? THAT'S EASY!

Dear XL Girls,

For me, the highlight of the Summer 2017 issue (SP318) was the news that Alaura Grey was not only returning but would be doing her first tit-fuck and blow job scene, too. Considering that Alaura is one of the greatest *XL Girls* ever, this was your

Here's Jennica Lynn from her scene in *All Stacked, All Natural* 6.

Wouldn't you love to lose your cock between Alaura Grey's M-cup naturals? Alaura's first tit-fuck scene is in this issue. This photo is from the Nov. '17 issue of *Voluptuous*.

biggest news ever. The only possible equivalent would be if Jennica Lynn decided to do a tits 'n' tugs and, going way back, if Laura Bailey had done one, which, regrettably, she never did.

It's not just that Alaura has enormous tits. She also has a beautiful face and approachable looks. One of the great things about your girls is that they never think they're all that, even though they are. Maybe that's because we live in a society in which curvy, full-sized girls don't get the appreciation they deserve, so they're appreciative when they do.

I'm sure that Alaura's first tit-fuck/blow job scene is going to fulfill all of my expectations. No offense to the other girls in what was a very good issue, but news like this overshadows everything else.—P.L., Fulton, New York

Dear P.L.: Alaura's first boy-girl scene begins on page 46 of this issue, and it's everything we hoped it would be and more. Want to see the video version of her cherry-breaking boy-girl scene? Tits 'n' Tugs 10, featuring Alaura tit-fucking and sucking cock, is available on page 99. That movie also features Allie Pearson's first tits, tugs 'n' tongue.

FIVE GREAT NEWCOMERS IN A VERY SPECIAL ISSUE

Dear *XL Girls*,

Angel Sweets (SP318) is a tremendous new addition to *XL Girls*. I can't wait to see more of her. I love long-haired blondes with big tits, and Angel is one of the best I've seen.

All of your other newcomers in

Angel Sweets, who debuted in #318, gets ass-fucked later in this issue.

THIS IS ADULT MATERIAL

All of the performers/models, and all of the characters that they portray, were over 18 years of age at the time of the photography. The content is inappropriate for minors, and appropriate care should be taken to ensure that it is not viewed by anyone under 18 years of age.

this issue were lovely, too. Georgina Gee is so hot. You get hooked on her eyes then go down to those amazing boobs and thighs which are so thick, you want to have them wrapped around your head.

The interview with Georgina was one of your best, too. It's a great idea to have a busty model interview another busty model whenever possible. Jem Stone did a bang-up job. Tell her I don't blame her for not being able to keep her hands off Georgina's tits. I wouldn't have been able to, either!

Chevy Cobain is one of the most-perfect girls I have ever seen, especially that big ass and those thunderous thighs. Sexy girl. Lots of prime flesh. I love those tits and her face.

Ann Calis' new look is really exciting. I loved her before, when she was in *Voluptuous*, and now she's plumped up in all the right places to become a perfect XL Girl. Stunning. Ann is a plumper beauty queen.

Finally, Savana Blue is a beautiful model who knows how to show off the goods. Head down, ass up is the way I like my women, and the photo on page 76 with Savana spreading her asshole for all the world to see was topped only by the one on the following page, where you can literally see her juices flowing as she makes her pussy and ass gape. That's

the shot that finally made me lose all control. A great girl in a great issue. -J.T., Oakland, California

Dear J.T.: Angel Sweets returns to fuck in this issue, and she's taking a big cock up her sweet ass. See her in action beginning on page 54.

MORE GEORGINA GEE? WE CAN DEFINITELY DO THAT!

Dear XL Girls,

I wish I were 25 years younger and lived in Georgina Gee's town. She's phenomenal and I hope there's much more of her to come. She's got it all and then some. The epitome of an XL Girl. Stunning!

Georgina is a dream woman and one of the sexiest girls on the planet. I love her look: her skin, her legs, her booty and, of course, her big, creamy, natural tits. Please, bring us much more of her. It would be fantas-

tic.—Name and address withheld

Dear Readers:

You can see lots more of Georgina, including videos, online in the members area of XLGirls.com.

And, of course, Georgina will be returning in upcoming issues

of XL Girls mag. She's a keeper... that's why she was our covergirl.

Georgina Gee made her big debut in #318. You'll be seeing a lot more of her.

NOW YOU CAN CALL HER RoXXXee ROBINSON

Dear XL Girls,

At last, a dream come true! It was absolutely fantastic to see Roxee Robinson (SP322) in a boy-girl photo set. Here's hoping there are more to come. What a wonderful fuck feast. This lovely woman sure can take a good pounding in style.

I hope you have shot some more fuck scenes featuring Roxee. Seeing one was great and the fulfillment of a fantasy, but it only made me want

We kinda figured Roxee Robinson had serious sex skills even before she broke her hardcore cherry in the movie *Super Sized Rides 5* and in *XL Girls* #318.

MODELS WANTED

The BIGGER they are, the more we want them!

Cami Cooper

Do you know a girl who's plump and beautiful and would be perfect for *XL Girls* magazine? Maybe this girl never dreamed she could be a model. She probably thought she was too big... thought society's norm for models would prevent her from living out her fantasy. Well, here at *XL Girls*, we like 'em bigger, and that means big tits, big asses, big thighs and soft middles, too. So tell this girl that you think she's beautiful. Tell her there's a world of guys out there who would love to show her the appreciation she deserves. Tell her she can receive generous compensation and all the perks that come with being an erotic model. If you know a girl who has what it takes, ask her to call *XL's* studio manager today and find out about this exciting opportunity. In the U.S. and Canada, the number is 1-877-726-7335, extension 2004. Elsewhere, call +1-305-662-5959, extension 2004.

more. I loved the eager look in her eyes as she took the pounding and enjoyed having the guy give her tits the tribute they deserve: his cum. Way to go, Roxee, and way to go, *XL Girls*!—M.V., via email

Dear M.V.: Yes, there is more Roxee hardcore to come. For starters, you can see her in her first hardcore movie, *Super-Sized Rides 5*, available on page 99 of this issue. There are also more Roxee XXX and solo photos and videos at XLGirls.com. And, of course, you haven't seen the last of Roxee in your favorite busty BBW mag.

Roxee is one-half of the new Canadian plumper invasion that also includes newcomer Smiley Emma, who returns on page 26 of this issue.

HOW FAST CAN SPEEDY GONZALES STROKE IT?

Dear *XL Girls*,

Sarah Rae (SP318) is perfect. Perfect tits, perfect furry pussy and a gorgeous face. Sarah is absolute perfection in every way, from her beautiful smile to those amazingly huge tits to her hairy pussy and plump thighs.

Although it's hard for me to say who exactly is my fave, Sarah is definitely in the running. Those tits are a fucking thing of beauty. So full, soft

BIG GIRLS ARE THE BEST? WE ALREADY KNEW THAT!

Dear *XL Girls*,

Big girls are the best. I know this because I have dated my fair share of slim girls and big girls, and big girls have them beat in every way: beauty, personality and, of course bodies. They're also better girlfriends who'll do everything possible to please their man and never put themselves first.

I would like to see more of the following girls in your great magazine: Lavina Dream, Monica Love, Bailey Santanna, Nikky Wilder and Kimmie Kaboom. All of them have the girl-next-door, approachable look I so adore and look for in a girlfriend.

Perhaps one day I will settle down and marry one of the many big girls I have dated. Maybe if Lavina wants to marry me. Well, not maybe. Definitely!—J.R., Astoria, New York

Girls
DEBUT

Additional proof that they grow 'em big & busty in Romania!

Roxanne Miller, Mia Sweetheart, Lavina Dream, Arianna Sinn, the Star sisters who have been debuting over at *V-mag* and *SCORE* and, now, Katie...if you're looking for a place to spend your next holiday and want to be surrounded by busty BBWs, Romania should be at the top of your list.

Katie says she gets a lot of attention because of her big tits, and she likes it. She's going to get a lot more attention now that she's here.

There must be something in the water in Romania, or maybe the country naturally turns out sexy, full-figured women with plenty of meat on their bones. Katie started developing when she was 12 years old and, from the looks of things, never stopped. Fortunately for girls like Katie, Romania has so many busty girls that

she can buy her bras right off the shelves in department stores. "I always need to wear a bra," she said. "Only at home can I be without one, but I like to wear a bra because it keeps my breasts nice." Very nice. We asked Katie if she has any special talents, and she smiled and said, "To be sexy!" That's a natural talent.

SMILEY EMMA

Interview by Jan Balcik

Her name is Smiley Emma, for obvious reasons. She smiles a lot. And, of course, the sight of her pretty face and huge naturals will make you smile.

Emma is from a small city in Western Canada, where it's cold most of the year. She keeps the guys heated up with her plush face warmers. She's among the new wave of great new XL Girls from Canada, following in the bra straps of Roxee Robinson. Oh, Canada!

Emma flew to Prague, Czech Repub-

lic for her first XL Girls shoot and then to Toronto, Ontario for her second round of shoots. This pictorial was shot in Toronto. You might notice the city's skyline in the background.

Then again, you might not. Your eyes are probably too focused on Emma. Can't say we blame you.

to please!”**

XL GIRLS INTERVIEW

XL Girls: Hi, Emma, and welcome back to *XL Girls* for your second appearance. Nice name, by the way.

Emma: Thanks. I smile all the time! *[She smiles]*

XL Girls: I noticed, but I also noticed your huge boobs.

Emma: I know! They kind of are there all the time!

XL Girls: What size are they?

Emma: They are 34M. "M" for massive. That's UK size. They're pretty big. They're hard to buy bras for, but I wouldn't change them for anything.

XL Girls: Tell us about your difficulty buying bras.

Emma: Well, I can't just walk into any sort of chain store and buy something off the rack. I have to find local specialty stores that specifically carry larger sizes, and then they might have to alter it. And it's costly, but they're worth it. I enjoy it. I like the cleavage.

XL Girls: I'm sure. A lot of guys like the cleavage.

Emma: Yeah. I get a lot of stares.

XL Girls: So, you get a lot of attention?

Emma: I don't get a lot of people who come up to me and talk to me on the street, but I do see a lot of people looking and staring and eyeing me up and down. I think my boobs almost intimidate people, so they're a little shy to come up to me. *[Laughs]*

XL Girls: If you smile, they shouldn't be intimidated.

LLGI You would think! *[Laughs]* But I think if I smile back at them, they might get worried that I caught them staring.

XL Girls: What are your hobbies?

Emma: I love the water, so if I can be on the water, I do that. I play a lot of video games. I'm kind of a gamer. I'm a bit of nerd, so whether it's on the computer, Xbox, even on my iPhone or iPad, I'm usually playing a game. That keeps me occupied in the winter. I'm a kid at heart, so I like to have fun. No stuffy, boring stuff for me. Lots of video games, computer games and flashing and jiggling my boobs, too. Jiggling keeps me warm in the winter!

XL Girls: And you live where it's cold for a good part of the year, don't you?

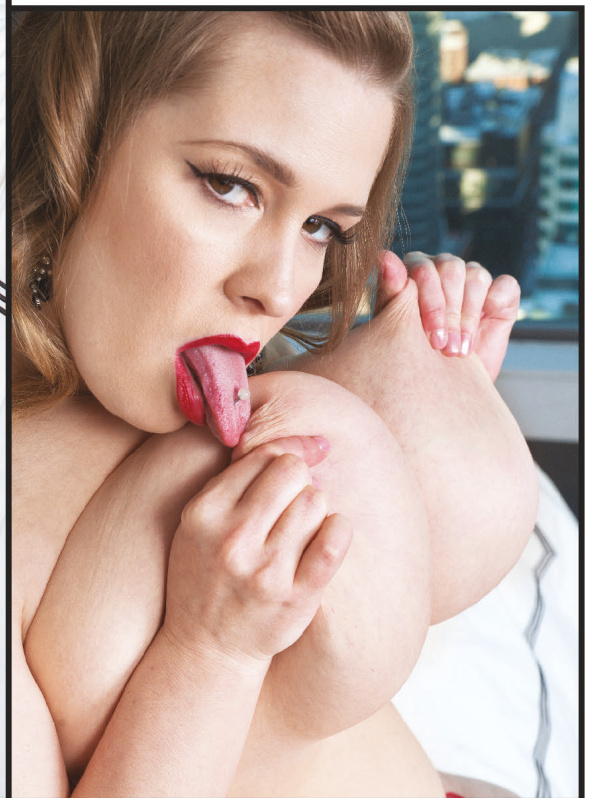

Emma: Yes, I do. I'm from a small city in Western Canada.

XL Girls: How do you keep yourself occupied on those long, cold winter days?

Emma: I stay inside when it's cold out and listen to music, which, again, because of where I'm from, there aren't too many good radio stations, so I have to listen to my own personal music. There's not a lot to do there. I do more in the summer time. I like to raft and go hiking. Even go for walks down by the water because I'm a fish at heart. I like to be in the water.

XL Girls: Were you the bustiest girl in school?

Emma: I've always been the bustiest. I had some friends who had boobs but nothing compared to these. I got made fun of a lot because of them, but then again, I think it's because they were either jealous or *[She looks down]* they couldn't believe how big they are.

XL Girls: Do you have any friends with big boobs?

Emma: I have one friend who's kinda comparable, but she doesn't flaunt them like I do. I'm usually the only one in my group that has boobs. At least this big.

XL Girls: What do you wear out?

Emma: I might wear a low-cut top with some leggings underneath. Or I'll wear spaghetti-strap tank tops. Either way, there's always going to be some cleavage. I can't help it! I can't hide it! In the winter, I like to wear darker colors, and it is a chore to get these boobs into sweaters, but no matter what I wear, I always have huge cleavage, and that's a good thing.

XL Girls: What's the best compliment you've ever received?

Emma: Being told that my boobs are nice and full and round. And I've been told that I have really nice nipples for such big boobs because you usually see large nipples on large boobs, but I always get told that I have really nice nipples for the big boobs. I would say the worst is someone telling me they're too big. I'm like, "How can they be too big?" Especially because they're all-natural.

XL Girls: How about the best compliment that didn't involve your boobs?

Emma: That my smile and personality has

This lucky guy's cock got lost between her tits!

We hope you're enjoying yourself as much as he did because these photos were a long time in the making. Alaura debuted in 2014 and was an instant sensation, one of our most-popular girls ever. And that's when we started begging: "Please, Alaura, come back! Do a boy-girl scene!" Alaura demured. She wasn't sure she was ready. Finally, she said, "Why not? It'll be fun!" And it was for all involved. The video is in *Tits & Tugs 10*, available on page 99. It was worth waiting for.

ANGEL SWEETS

He's a door-to-door salesman. Angel wants what he's selling.

British babe Angel Sweets, who debuted last issue, phones a company about their line of skin creams and has them send a salesman to her house. It turns out that the kind of cream she's looking for doesn't come in bottles or cans. It comes in sacs, and it's how Angel's going to get the cream out of that sac that counts. She's going to have George play with her big tits. She's going to suck and fuck his big cock.

"I love anal. It feels so good and makes the guy cum harder."

Will Angel's sweet ass make George give Angel's rack the glazing it needs? Probably. Angel told us her top three sexual experiences were "losing my virginity to an older man on the bonnet of a motorway maintenance van, meeting my dom for the first time, soaking wet at the thought, and being strapped to a swinging device in a sex club and being fucked senseless while an audience looked through a window."

Angel can taste her ass on her guy's cock when he shoots his load.

Clearly, Angel is no cum dodger, and clearly, she's gotten the cream she wanted. It's also clear that what Angel said is true: Her ass does make a guy cum more. "I could feel his cock getting harder and the cum churning in his balls while he fucked my ass," Angel said. "I'm such a bad girl!"

Smiley Emma

continued from page 32

brightened someone's day when they were down.

XL Girls: What makes you laugh?

Emma: There really isn't much that wouldn't make me laugh, but cheesy jokes make me laugh the hardest.

XL Girls: What's your fantasy?

Emma: My biggest fantasy would be to have a threesome with another guy, so two guys and me. I like to be touched, so then there'd be more hands touching me, and I'm not going to lie, I like to suck dick, so getting fucked from behind while sucking on a dick at the same time would be extremely hot for me. Sometimes, when my fiancé is working in our home office, I will crawl under the desk and give him a sexy blow job. And sometimes my fiancé will randomly grab me, pull off my pants and panties and go down on me for multiple orgasms.

XL Girls: Favorite position?

Emma: Doggy style. I like the way a guy's balls slap up against me. [Laughs] I like the feeling of it. There are multiple feelings. I like to be touched. I like paying attention to the way things feel.

XL Girls: How do you take care of your boobs?

Emma: I lotion every day after my shower, and I need a lot of lotion on my boobs, so I'll put some lotion all over them and then I'll rub them, and I do some exercises. I can flex them. [She takes out her tits and demonstrates] I can actually move my boobs with my pec muscles.

XL Girls: Do you get your boobs massaged often?

Emma: On a regular basis. I love my boobs being massaged. I do it even on my own. I'll just be sitting there watching TV and I'll start rubbing my nipples and grabbing my boobs and just playing with them. Even when I'm listening to music, I'll bounce them around to the beat. I'm always playing around with my boobs.

XL Girls: Do you like it rough or soft or a little bit of everything?

Emma: I like to be touched lightly to start. My breasts are very sensitive, so go lightly at first, but then when you want to grab them, you should go nice and deep. Really get in there.

XL Girls: Get that feeling!

Emma: Yes! They're so big, you need to dig in! *[Laughs]*

XL Girls: Where's your favorite place to have sex?

Emma: Sex in the shower is very hot for me. Having sex in the back of a work truck was very sexy. My favorite was a nine-hour make-out and fooling around session.

XL Girls: What kind of dates do you like to go on?

Emma: I don't really go out on formal dates. I like to get to know someone. I like a guy to be real and genuine and be himself. And silly. He should be silly. If sex happens, it happens.

XL Girls: I'm sure guys always want to tit-fuck you. Can you tell us about your tit-fucking technique?

Emma: Sure. Well, first of all, these tits are so big, you do need a fair-sized cock or else you'll get lost in the cleavage. *[Laughs]* I like to stroke it and tease the head. I like to tease the cock with my boobs a little. Rubbing it on my nipples and stroking it. I've actually got a couple of different ways that I can tit-fuck a cock. I like to start by rubbing the cock against my nipples and smacking it against my tits a little. Then I'll get it nice and hard with

my mouth. I like to tease the head of the cock. It's a nice, sensitive spot. That's my favorite place, the soft area around the bottom of the head. Then I'll stroke the balls while I'm sucking it, just to get you nice and hard. Then I like to take oil and rub it all over. I use oil because you want your cock to slide in there nicely so it doesn't get stuck or anything. You want it to feel good and be nice and smooth. Nice and slick. Then, when my tits are all oiled up, your dick will just slide in nice and easy. I'll stroke it to make sure it's nice and hard. And even if the cock is really big, it'll still be almost gone when it's between my tits. Then I like to stroke it up and down with my tits. I have to say that playing with cock is one of my favorite things to do. And because these tits are so big, I can also hang them over your cock and tit-fuck your cock that way. Only big tits can do that. And I like being able to tease the head while I'm tit-fucking. I like being able to do both at the same time. And you can even tit-fuck me under my tits, but it's just not as much fun as the other ways.

XL Girls: Where should he cum?

DORS FELINE

If the only thing better than big, fat tits is big, fat, wet tits, then get ready for a spectacular show by one of our greatest plumpers ever.

Dors is from the UK, so it's appropriate to say that we were absolutely gobsmacked when we were going through our archive and realized that this photoset of Dors had never been published in *XL Girls* or *Voluptuous* magazines. Hey, sometimes there's gold in them thar hills, and the sight of Dors' glorious KK-cup naturals

is truly to be treasured. Here, Dors is quickly getting rid of the dress that's barely covering her plush body, climbing into the bath tub and getting wet. She's going to tit-fuck herself with her forearm, something only the bustiest girls can do. She's going to show why, for many years, she was the queen of Plumperville.

TALE OF THE TAPE

Birthday: March 23, 1984

Height: 5'5" **Weight:** 184 lbs.

Measurements: 46-34-44

Bra Size: 34KK

Previous appearances: SP250, SP232, SP214

Movies: *Ready For Stuffing 3*, *Full Figured Foxes* and *Big Fat Tits 2* (X-Rated. Available on page 99). More videos available in the members area of XLGirls.com.

Dors' fans long ago ran out of adjectives to describe her.

Wrote one reader, "Dors Feline is simply the most beautiful woman in the world. There aren't enough accolades to adequately describe her. While other photosets are salacious pictures of scantily clad women, her photosets are art." Dors' art includes a collection of 22 tattoos on her body.

Dors never did a boy-girl scene—she never even spread her pussy—but it's easy to imagine your cock getting lost in her endless cleavage.

Until she retired, Dors was the favorite *XL Girl* of many, and a lot of regular readers considered her the girl who best exemplified this magazine. In an era when readers and website members are constantly clamoring for girls to do more—show more pussy, suck and fuck more cock, take it up the ass, do DPs—Dors flourished

by doing less. Perhaps that was because her photos and videos always seemed hotter and steamier than they actually were. Her poses and sexual expressions made us forget that she wasn't showing her pussy or sucking a cock. Those tits—those marvelous KK-cups—boggled our minds. She's still in our wet dreams.

SARAH JANE

She's a naughty girl-next-door who will do anything once...or twice.

"I am up for most things," said Sarah Jane, a real brickhouse from the UK who can take a pounding. "I'm friendly and fun. My cheeky smile and curvy figure will put you at ease in no time. I love sex." We'd say she has a cheeky figure as well...those ass cheeks! Sarah enjoys going to swing parties. She enjoys anything that involves sex.

"I love sucking dick and getting fucked from behind. I love cum on my face."

Sarah Jane fucked one guy in the movie *Thick Chicks on Dicks 4* and two guys in the movie *Double Stuffed Plumpers 4*. She's had sex in the back of a police car and revealed, "The most I ever had was 32 guys spunk on my face. My innocent face. I loved it!" She's not so innocent. Her favorite position? "All of them. I love outdoor sex and dogging." That's a British term for having sex in a car park so passers-by can watch. We did come up with one thing Sarah Jane hasn't done: anal sex. "But maybe one day I'll change my mind," she said. From the looks and sounds of things, we're betting she will.

ALLIE PEARSON

A girl-next-door with a sweet smile and great tits who modeled only for us.

"I feel like I've found a home because my whole life it's been like, 'You're too big' or 'You're too short' to model," said short 'n' stacked Texas hottie Allie, the covergirl of XL #299. "I've been told people like tall, skinny. Perky boobs but not too big. But you guys love them, and I love that!"

Allie does lots more than show off her big tits and pink pussy.

That's right. Allie's first tits, tugs and throat scene is in the new movie *Tits & Tugs 10*, available on page 99. Sure, Alaura Grey is getting lots of attention for her first XXX in that movie, but Allie's tit-fucking and throating skills are worthy of your attention, too. "And," she said. "I had a great time!"

Smiley Emma

continued from page 64

16623 To be honest, I'm not that picky, so if you want to cum all over my tits, that's fine. I prefer to swallow, so if you want to cum right down my throat, that's my favorite, but I don't mind if you cum on my face or my tits. I aim to please!

XL Girls: How did you become an adult model?

Emma: I've always known that I'm an exhibitionist. I hate clothes. I prefer to be naked, and I like to be watched, so I started doing webcamming. I liked being able to set my own hours and being able to interact with others and explore my sexuality. I usually like to do what the member wants to see, and sometimes they'll ask me what I want to do, so there'll be a lot of jiggling. *[She shakes her tits]* I get a lot of boob guys who come into my chat room and comment on my boobs all the time. I do a lot of bouncing, too. *[She bounces her tits]*

XL Girls: I see that you really enjoy doing that.

Emma: I do. I'm a happy person, and I try to be as much of myself as I can because if I were in the guy's shoes, I wouldn't want to go into a room and see a model who's not having fun, not enjoying herself. I try to look at it from the member's side, so I'm always smiley, happy and having fun. Being silly.

XL Girls: I guess you get all kinds of comments on the web-cam.

Emma: I do. People say that I'm genuinely nice, easy to talk to and I am very silly.

XL Girls: What would you say are your best physical qualities, as if I had to ask!

Emma: I think my best physical qualities are my smile and my big boobs.

XL Girls: One more question, Emma. How do you make a man feel special?

Emma: I have a rule that every time my boobs are out, he has to rub his face in them, and if his cock is out, I have to put it in my mouth. This means several times a day, and that's always going to keep a guy happy and coming back for more.

XL Girls: Thank you so much, Emma, and enjoy the rest of your shoots.

Emma: Awesome! Thank you so much! I'm having a wonderful time being here.

"Join the party!" Jordynn tells Jim when he walks in on her and Tony.

Actually, this whole thing started when Jordynn was giving herself some self-love in the living room. Then Tony walked in and decided to give her a helping hand. And then Jimmy showed up and said, "Hey, what about me?" Well, nobody's ever left out when Jordynn's in the room. This short 'n' stacked brick-house had something for everyone!

"I've had lots of threesomes back home. The more the merrier!"

Jordynn, who was born in Southern California and now lives in the mid-west United States, told us "Typically, if my guy and I are playing with others, it's another woman and us, another couple and us or a large group. I loved doing this scene with Tony and Jimmy. Jimmy was rather sexually aggressive, and that got me all wet, too. I'd love to fuck both of them again!"

"I never spit. I did it so you could see all this cum on my tits."

Jordynn loves big tits as much as you do. She'd love to do a GGB three-some with Kacey Parker, Angel DeLuca, Nikky Wilder or Lucy Lenore. Her favorite part of this scene? "I've not done the piledriver position often. It was fun seeing a cock thrust in and out of me, and that position provides a great view." With Jordynn, the view is always fine.
